

48 HOURS IN NOOSA

Your mission, should you choose to accept it, is to find a destination that ticks all the boxes for your next school camp and we're here to help – it's NOOSA! With so many accessible attractions and experiences right on our doorstep, students can do and learn so much in 48 hours – if you have more time bonus! Start your journey with our sample itineraries, offering just a taste of where a school camp in Noosa can take you, but there is a diverse menu, so dive in and explore. From Noosa's famous National Park with lush rainforests, open woodlands and 15 kilometres of walking tracks; to learning about Queensland's first UNESCO Biosphere Reserve with 60 distinct ecosystems, 44% of Australia's bird species and more than 2,000 species of plants and native fauna; Elanda Eco Camp gateway to the ancient waters of the Noosa Everglades, a tropical wetland boasting one of Australia's most diverse ecosystems, one of only two everglade systems in the world; the pristine beaches, outstanding surf zones and an abundance of wildlife in the water and coastline of Noosa, the 10th World Surfing Reserve; to the indigenous history visible through the Bora Ring and Scarred Trees amongst 300 acres of rolling hills of Mimburi Campus.

SCHOOL CAMPS

Noosa offers a school camping experience like no other. With our pristine natural environment, perfect climate & fantastic group camping facilities, there is no better place for students to step outside the classroom and explore.

48 HOURS at Elanda Eco-Camp

A school camp at Elanda Eco-Camp offers a unique educational opportunity with a combination of environmental value, agri-business, outdoor education, Indigenous heritage and wide-open spaces.

DAY 1 – Morning – beach carnival

After arrival & check-in, we head straight to the beach for an action-packed beach carnival.

- Teams and individuals challenge each other in a series of fun-filled activities
- Students engaged in an energetic & supportive way
- A team building exercise that exposes students to vital Surf Lifesaving skills

LUNCH is a beach BBQ where all students are involved in the preparation & cooking

DAY 1 – Afternoon – ‘Survivor’

- Students test their survival skills in the ultimate outwit, outlast, outplay challenge
- Techniques cover fire, water, food & shelter, are used to stay safe & sustain life in any type of natural environment
- Benefits include increased self-esteem & confidence, learning to be self-reliant, managing stress & rationally analysing potentially dangerous situations

DINNER – dine under the stars, in the Activity Hall or in our bistro

DAY 1 – Evening – night hiking

- A camp highlight is the exciting night hike
- Instructors lead students through the national park looking for nocturnal animals
- There is always a good spot along the way to turn off all torches & discover the stars
- Students are taught about minimal impact on the natural surrounds & night hiking safety techniques
- This activity further develops students' appreciation & respect of nature

DAY 2 – Morning – kayaking & Everglades Eco Tour

- Greet the day with an early morning kayak on Lake Cootharaba
- A fun & rewarding way to explore our beautiful waterways
- Builds confidence, physical endurance & quick decision making

BREAKFAST – recharge with a hearty breakfast at the Rec Centre

- After breakfast, a breathtaking guided Everglades Eco Tour through mirrored waterways
- See up close the prolific native animal, bird & plant species that inhabit this unique wilderness
- Activities include a visit to historical Harry's Hut, a swim in the Tea Tree infused

waters, & walk through sub-tropical rainforests

- The day includes lunch, morning & afternoon teas (example here)

DINNER menu catered to your requirements

DAY 2 – Evening – Indigenous Culture

- Facilitated by Nikki and Lyndon Davis, Kabi Kabi (Gubbi Gubbi) elder, artist & performer
- Hear stories & songs of Kabi Kabi history & culture
- Learn about hunting, gathering, cooking & living off the land

CAMP HIGHLIGHTS

- 65 acres in the Coolool National Park unique Noosa River beachfront access
- Gateway to the Noosa Everglades
