 - (f) **(additional information)** request additional information from one or more Respondents relating to a Response, the Procurement Process, the Respondent's compliance with the Procurement Process Conditions or any other matter which the Principal considers relevant to its assessment (including information that should have been, but was not, included in the Respondent's Response);
 - (g) **(negotiation)** negotiate amendments to any aspect of a Response with any one or more Respondents and suspend or terminate such negotiations at any time;

- 1.3 **(Conduct of Respondents)** The Respondent must not, and must ensure that its Personnel do not, engage in any Improper Conduct. The Respondent must immediately notify the Principal in the event that it becomes aware that it, or any of its Personnel, have engaged in Improper Conduct. Where appropriate, the Principal may report Improper Conduct by the Respondent to the appropriate Authority and provide that Authority with any relevant information related to that conduct.
- 1.4 **(Complaints in relation to the Procurement Process)** The Respondent must make any complaint in relation to the Procurement Process using the Communication Method immediately upon the cause of the complaint arising or upon the Respondent becoming aware of the cause. The complaint must be made in writing to the Complaints Manager and must contain adequate detail to allow the Complaints Manager to properly investigate the complaint.

Procurement Process Conditions

- 1.5 **(No warranty)** The Principal gives no warranty and makes no representation that the Procurement Documents or any other information provided to the Respondent in connection with the Procurement Process is accurate, adequate or complete.
- 1.6 **(No liability)** Neither the Principal nor its Personnel shall be liable upon any Claim for any Specified Loss in connection with the Procurement Process.

2. BRIEFINGS AND SITE INSPECTIONS (RFT AND RFEOI ONLY)

- 2.1 **(Attendance)** The Respondent must attend any briefing or a site inspection which is identified in the General Information as mandatory. Respondents are encouraged to attend any briefing or site inspection which is not described as mandatory.
- 2.2 **(RSVP)** The Respondent must confirm that it intends to attend the briefing or site inspection to the email address and by the time and date stated in the General Information and may only bring a maximum of the number of Personnel stated in the General Information.
- 2.3 **(Safety)** The Respondent must inform itself of risks to health and safety arising from attendance at the briefing or site inspection and take all reasonable steps to ensure that such risks are eliminated or, if it is not possible to eliminate them, to minimise them so far as is practicable.
- 2.4 **(Obligation to inspect)** Where no site inspection is identified in the General Information, the Respondent must make its own arrangements to inspect the site prior to lodging its Response.

3. COMMUNICATIONS DURING PROCUREMENT PROCESS

- 3.1 **(Communication Method)** All communications by the Principal to the Respondent shall at first instance be made using the Communication Method. Except where expressly permitted by these Procurement Process Conditions, all communications by the Respondent to the Principal in connection with the Procurement Process shall at first instance be directed to the Principal using the Communication Method. No other communication method may be utilised by the Respondent unless expressly permitted by the Principal or where technical difficulties prevent the Respondent from utilising the Communication Method or the Principal expressly agrees to an alternative method.
- 3.2 **(Respondent's responsibility)** The Respondent must ensure that it is capable of receiving and does receive all communications to the Respondent in connection with the Procurement Process. Where the Communication Method is email, it is the Respondent's responsibility to ensure that it notifies the Principal of the correct email address for receiving communications. Where the Communication Method is through a website, the Respondent must ensure that it is properly registered with and capable of receiving communications through the website.
- 3.3 **(Confidentiality of communications)** The Principal may notify any or all Respondents of a request for further information made by a Respondent and the Principal's response to it without identifying the submitting Respondent or may keep a request for information confidential and respond only to the Respondent if it considers that it is appropriate to do so.
- 3.4 **(No reliance)** The Respondent must not rely upon any information (including information provided at a briefing or site inspection) unless it is confirmed by the Principal through the Communication Method.
- 3.5 **(Communication Closing Time)** The Principal will not respond to any request for information received after the Communication Closing Time.

4. THE RESPONSE (RFT AND RFQ ONLY)

- 4.1 **(Application of clause)** This clause 4 only applies in respect of an RFT or an RFQ.
- 4.2 **(Acceptance of Contract and Scope)** If one has not been provided, the Respondent must obtain a copy of the Contract from the Principal by requesting a copy through the Communication Method. Except to the extent that the Respondent has detailed a proposed

Procurement Process Conditions

alternative, amendment, qualification or departure in a Response, the Respondent will be taken to have unconditionally accepted and agreed to:

- (a) be bound by the terms and conditions of the Contract; and
- (b) carry out and complete the whole of the obligations described in or to be reasonably inferred from the Procurement Documents.

4.3 **(Price)** The Price must be submitted exclusive of GST and in Australian dollars.

4.4 **(Discrepancy in Price)** Where the Response Form requires the Respondent to provide a Price and there is a discrepancy between the amount stated in the Response Form as the Respondent's Price and the sum total of the items in any Price Schedule then:

- (a) if the Contract provides that it is a lump sum contract, then the sum total of the items in the Price Schedule shall be the Respondent's Price; or
- (b) if the Contract provides that it is a schedule of rates contract or a part lump sum and part schedule of rates contract, then the rate, price or lump sum of each item will prevail over the total shown, and the total shall be adjusted accordingly.

4.5 **(Response Validity Period)** The Respondent's Response will remain valid and open for acceptance by the Principal until the end of the Response Validity Period and thereafter until it is withdrawn in writing by the Respondent or the Procurement Process is finalised. The Principal may consent to the Respondent withdrawing its Response before the end of the Response Validity Period. The Principal may request an extension of the Response Validity Period at any time by giving written notice to the Respondent. If the Respondent does not agree to the requested extension then the Principal may exclude the Respondent's Response from assessment or further assessment as the case may be.

4.6 **(Alternative Responses)** Pursuant to Clause 8.4(a) the Principal may, but is not obliged to, reject or exclude from assessment any Response that is an Alternative Response. Notwithstanding this, if the Respondent wishes to submit an Alternative Response, then the Respondent is encouraged to:

- (a) also submit a Conforming Response; and
- (b) submit the Alternative Response on a separate Response Form to the Conforming Response, clearly marked, "ALTERNATIVE RESPONSE" accompanied by a clear summary of all points of difference between the Alternative Response and the Conforming Response.

5. RESPONDENT'S GENERAL WARRANTIES AND REPRESENTATIONS

5.1 **(Warranties and Representations)** By lodging a Response, the Respondent warrants and represents that:

- (e) **(ability)** the Respondent and its relevant Personnel:
 - (i) hold (and are compliant with all requirements of) all necessary competencies, licences (including if necessary, a licence under the *Queensland Building and Construction Commission Act 1991* (Qld)), accreditations, certifications, permits, clearances and other authorisations which will be required for the Respondent to carry out the Scope if it is ultimately engaged to carry out that Scope; and
 - (ii) are not excluded from submitting a tender under any applicable Queensland or Federal Government scheme, code or policy;
- (f) **(suitability etc. of works, goods or services)** where the Principal has stated in the Procurement Documents the purpose(s) for which the works, goods or services must be suitable, appropriate, adequate or fit, the works, goods or services shall be suitable, appropriate, adequate and fit for those purposes (but this warranty and representation will not apply to the extent (if any) that the Respondent has expressly excluded or limited it in the Respondent's Response);
- (g) **(Effect of implied warranties)** neither clause 5 nor clause 6 shall operate in any way to limit, exclude or otherwise restrict the operation of any warranty implied by law.

6. RESPONDENT'S FURTHER WARRANTIES AND REPRESENTATIONS (RFT AND RFQ ONLY)

- 6.1 **(Application of clause)** This clause 6 only applies in respect of an RFT or an RFQ.
- 6.2 **(Warranties and Representations)** By lodging a Response, the Respondent warrants and represents that:
 - (a) **(investigations)** the Respondent has undertaken its own enquiries and investigations to satisfy itself of:
 - (i) the nature and extent of the Scope, its contractual obligations and all other risks, contingencies and other circumstances which could have an impact on its ability to carry out and complete the obligations it will have under the Contract if its Response is accepted for the Price; and
 - (ii) the suitability, appropriateness and adequacy of the Scope (including, in respect of contracts under which the successful Respondent is required to design works, any preliminary design included in the Scope) for the purposes stated in or to be reasonably inferred from the Scope;
 - (b) **(ability)** the Respondent and its relevant Personnel:
 - (i) have and will maintain the necessary experience, expertise and skill to perform its obligations under the Contract in accordance with the requirements of the Contract in the event that its Response is accepted; and
 - (ii) have and will maintain the resources necessary to comply with the timeframes for the performance of the Contract stated in the Procurement Documents (as amended if at all, pursuant to these Procurement Process Conditions);
 - (c) **(price)** the Price, and all rates, sums and prices included in the Response allow for:

Procurement Process Conditions

- (i) all of the risks, contingencies and other circumstances which could have an effect on the Respondent's ability to carry out and complete the obligations it will have under the Contract if its Response is accepted for the Price, except to the extent that the Contract expressly allows an adjustment;
- (ii) the provision of all materials, plant, labour and other services necessary for the proper completion of the obligations it will have under the Contract if its Response is accepted, whether or not those items are expressly mentioned in the Contract; and
- (iii) unless the Contract expressly allows an adjustment, rise and fall in costs;
- (d) **(competitive neutrality)** if the Respondent is required by law to comply with principles of competitive neutrality, the Respondent has properly considered, assessed and complied with the applicable competitive neutrality principles in relation to the Procurement Process and the acceptance by the Principal of the Respondent's Response will not breach those principles;
- (e) **(notice)** the Respondent has notified the Principal in its Response of any:
 - (i) ambiguity, inconsistency, uncertainty, error or omission which it has discovered in or from the Procurement Documents;
 - (ii) any assumptions that it has made in determining its Price;
 - (iii) further information or investigations which it considers that it requires to enable it to give the warranties and make the representations in this clause 6,

and otherwise gives all warranties and makes all representations which the Contract requires to be given or made by the successful Respondent. The Respondent acknowledges that the Principal will rely on these warranties and representations in entering into a contract with the successful Respondent.

7. LODGEMENT AND OPENING OF RESPONSES

- 7.1 **(Method of lodgement)** A Response must be lodged by uploading it to the Tender Box. The Principal may direct or allow the Response to be lodged by an alternative method.
- 7.2 **(Time of lodgement)** A document forming part of a Response shall be deemed to have been lodged:
 - (a) where the Tender Box is a website, at the time that the document is successfully uploaded to the Tender Box, as indicated on the electronic receipt issued to the Respondent; or
 - (b) where the Response is lodged by an alternative method allowed by the Principal, when it is received by the Principal by that method.
- 7.3 **(Response opening)** Responses will not be opened publicly and the Respondent will not be permitted to attend the opening of Responses.

8. ASSESSMENT OF RESPONSES

- 8.1 **(Evaluation Criteria)** In determining which Response(s) are most advantageous to the Principal, each Response evaluated in accordance with these Procurement Process Conditions will be assessed, but not necessarily exclusively, against the Evaluation Criteria (if any).
- 8.2 **(Considerations)** In assessing Responses, the Principal may consider any information which the Principal reasonably considers to be relevant to its assessment (however obtained), including:

Procurement Process Conditions

- (a) information contained in the Response or any amendment to or clarification of a Response;
 - (b) information provided at a meeting with or presentation by the Respondent;
 - (c) outcomes from discussions with a Respondent's referees (if any);
 - (d) information obtained pursuant to clause 8.5;
 - (e) the Respondent's past performance under other contracts with the Principal or third parties; and
 - (f) the reasonably held subjective opinions of the persons appointed by the Principal to evaluate Responses or any advisor to such persons.
- 8.3 **(Uncertainties)** The Principal may ignore any part of a Response which is ambiguous, uncertain, unclear or illegible without seeking clarification from the Respondent and may assess the balance of the Response.
- 8.4 **(Right to exclude)** The Principal may, but shall not be obliged to, reject or exclude from assessment any Response including:
- (a) a Non-Conforming Response, an Alternative Response or a Late Response;
 - (b) a Response, in respect of which the Principal reasonably believes that the Respondent has:
 - (i) failed to comply with these Procurement Process Conditions or any request made by or on behalf of the Principal pursuant to them within the time required; or
 - (ii) breached a warranty given or representation made pursuant to these Procurement Process Conditions or that a warranty, declaration or representation in the Respondent's Response is false or misleading in any material respect;
 - (c) a Response in respect of which the Principal reasonably believes that the Respondent cannot reasonably comply with the obligations which it will have under the Contract (in the event that its Response is successful) for the Price; or
 - (d) a Response which fails to achieve a satisfactory score against any of the Evaluation Criteria, even if the overall score of the Response is satisfactory;
- 8.5 **(Other information or assistance)** The Principal may undertake its own investigations, or engage third parties to do so on its behalf, in relation to any aspect of a Response (including verifying any warranty, representation or declaration made or given in the Response or pursuant to these Procurement Process Conditions) or any other matter which it considers relevant to the conduct of the Procurement Process. The Respondent must cooperate with such investigations and provide all information and assistance reasonably requested by or on behalf of the Principal in connection with the investigation.

9. SHORTLISTING (RFEOI ONLY)

- 9.1 **(Application of clause)** This clause 9 only applies in respect of an RFEOI.
- 9.2 **(Shortlisting)** The Principal intends, but is not bound, to create a shortlist of Respondents and invite tenders from the shortlisted Respondents.
- 9.3 **(No obligation)** The Principal is not bound to shortlist or invite a tender from any Respondent, including the Respondents with the highest scores against the Evaluation Criteria. The Principal

Procurement Process Conditions

may shortlist and invite tenders from as many or as few Respondents as the Principal sees fit and may choose not to shortlist any Responses or invite any tenders.

- 9.4 **(Local preference)** The Principal may shortlist an EOI that is from a Local Supplier in preference to comparable EOIs from Non-Local Suppliers even if the EOIs from the Non-Local Suppliers have been assessed as more favourable in terms of one or more Evaluation Criteria.
- 9.5 **(RFT)** A Respondent shall not be entitled to submit a tender unless and until the Principal expressly invites the Respondent to submit a tender in writing.
- 9.6 **(Unsuccessful Respondents)** Unsuccessful Respondents will be notified after the Procurement Process is concluded. The Principal may provide feedback to unsuccessful Respondents if requested to do so, but such feedback may be general in nature, will be limited to the Respondent's EOI only and may be postponed until after any related Request for Tender process is finalised.

10. ACCEPTANCE (RFT AND RFQ ONLY)

- 10.1 **(Application of clause)** This clause 10 only applies in respect of an RFT or an RFQ.
- 10.2 **(Ability to accept)** The Principal is not bound to accept the Response with the lowest Price (or in the case of the disposal of a Valuable Non-Current Asset, the highest Price), or the Response with the highest score against the Evaluation Criteria, or any Response. The Principal will, if it accepts a Response, accept the Response(s) which it reasonably believes are the most advantageous to it having regard to the Sound Contracting Principles and the requirements of the *Local Government Regulation 2012* (Qld) to the extent that they are applicable and relevant to the Procurement Process.
- 10.3 **(Local preference)** The Principal may accept a Response lodged by a Local Supplier in preference to comparable Responses from Non-Local Suppliers even if the Responses from the Non-Local Suppliers have been assessed as more favourable in terms of one or more Evaluation Criteria, so long as the overall differences are not substantial, and so long as it is clear that the Local Supplier can meet the Principal's requirements at an acceptable standard which is generally comparable to that of the Non-Local Suppliers.
- 10.4 **(Acceptance of more than one Response and acceptance of part of a Response)** The Principal may accept a Response in whole or in part. Without limiting this, where the Scope comprises distinct portions of works, goods, services or the disposal of more than one Valuable Non-Current Asset, the Principal may accept a Response from one or more Respondents in relation to different portions of the works, goods, services or Valuable Non-Current Assets as if those portions had been the subject of separate Procurement Processes.
- 10.5 **(No agreement until execution)** Except to the extent that the Principal expressly notifies the Respondent in writing that the Principal intends to be bound before a written agreement is executed by the Respondent and the Principal, no legally binding agreement for the provision of any work, services and/or goods by the Respondent or disposal of a Valuable Non-Current Asset by the Principal will exist between the parties unless and until both the Principal and the Respondent have executed a written copy of a mutually acceptable agreement and the Respondent has received an executed copy of that agreement from the Principal. For clarity, a statement published by the Principal but not specifically notified to the Respondent (including a record of a council resolution) to the effect that a Response has been accepted or a contract has been awarded does not, of itself, constitute an acceptance of the Response or notice that the Response has been successful or constitute a rejection of any other Response.

If the written copy of a mutually acceptable agreement is not executed by both parties within thirty (30) days of the date that the Principal communicated to the Respondent that its Response was successful (or such longer period as notified by the Principal in writing), then the Principal may exercise any rights given to it by these Procurement Process Conditions including entering into legally binding agreement with another party for the works, services, goods and/or disposal the subject of the Procurement Process.

Procurement Process Conditions

- 10.6 **(No selection as Preferred Supplier until resolution and contract)** In respect of an RFT for selection as a Preferred Supplier, the Respondent will not be considered to be selected as a Preferred Supplier unless and until the Principal has passed a valid resolution to the effect that the Respondent has been selected as a Preferred Supplier and the Principal and the Respondent have executed a written copy of a mutually acceptable agreement and the Respondent has received an executed copy of that agreement from the Principal. For clarity, a statement published by the Principal but not specifically notified to the Respondent (including a record of a council resolution) to the effect that a Response has been accepted or a contract has been awarded does not, of itself, constitute an acceptance of the Response or notice that the Respondent has been selected as a Preferred Supplier or constitute a rejection of any other Response.
- 10.7 **(No selection as Pre-qualified Supplier until resolution)** In respect of an RFT for selection as a Pre-qualified Supplier, the Respondent will not be considered to be selected as a Pre-qualified Supplier unless and until the Principal has passed a valid resolution to the effect that the Respondent has been selected as a Pre-qualified Supplier.
- 10.8 **(Form of Contract)** Unless the RFT or RFQ stated that the Respondent would not be required to enter into a contract until it is separately engaged by the Principal to provide works, goods or services, if a Response is accepted, the successful Respondent will be required to enter into a contract in the form of the Contract, as amended by agreement between the parties.
- 10.9 **(Unsuccessful Respondents)** Unsuccessful Respondents will be notified after a Response has been accepted. The Principal may, at its discretion, notify unsuccessful Respondents of the name of, and Price submitted by, the successful Respondent. The Principal may provide feedback to unsuccessful Respondents if requested to do so, but such feedback may be general in nature and will be limited to the Respondent's Response only.
- 10.10 **(Approval to subcontract)** The Principal's formal acceptance of a Response does not constitute the Principal's approval for the Respondent to subcontract any obligation of the Respondent under the Contract or the Principal's approval of any subcontractor nominated in the Response. Where the Respondent has nominated one or more subcontractors in its Response, the Principal may at its absolute discretion, prior to entering into a contract with the Respondent:
- (a) require that the Respondent agree to engage an alternative subcontractor (or alternative subcontractors) nominated by the Principal; and/or
 - (b) approve or refuse approval for the Respondent to engage any one or more subcontractors nominated by the Respondent.
- 10.11 **(Arrangement with other local governments)** The Respondent acknowledges that if, pursuant to the Procurement Process, the Respondent is selected to be a Preferred Supplier or Pre-qualified Supplier for goods and/or services then any Related Local Government may make a contract with the Respondent for the supply of those goods and/or services, as if that Related Local Government had itself selected the Respondent to be a Preferred Supplier or Pre-qualified Supplier of those goods and/or services.

11. DOCUMENTS AND INFORMATION

- 11.1 **(Ownership)** The Procurement Documents remain the property of the Principal. The Response will become the property of the Principal upon lodgement.
- 11.2 **(Intellectual Property Rights)** Intellectual Property Rights in documents and information provided on behalf of a party in connection with the Procurement Process remain, as between the parties, with the party on whose behalf they were provided. The Principal and the Respondent grant each other a perpetual, non-exclusive, royalty free licence to do the things contemplated by clause 11.8. The licence so granted by the Respondent is irrevocable. The licence granted by the Principal may be revoked at any time on the giving of written notice.
- 11.3 **(Warranty and representation)** The Respondent warrants and represents that:

Procurement Process Conditions

- (a) it owns or has a right to use the Intellectual Property Rights in its Response for the purpose of lodging a Response and undertaking the obligations which it will have under a contract with the Principal in the event that the Respondent's Response is accepted; and
- (b) it has the right and authority to grant the licence in clause 11.2 and the Principal's exercise of the rights so granted will not infringe the Intellectual Property Rights of a third party.

11.4 **(Confidentiality)** Except to the extent otherwise provided in these Procurement Process Conditions, each party shall keep Confidential Information of the other party confidential. The Respondent must inform each of its Personnel and any other person to whom Confidential Information of the Principal is disclosed of the Respondent's obligations under this clause 11.4. Subject to clause 11.8(b), the Respondent must return any and all Confidential Information when requested to do so by the Principal.

11.5 **(Information Privacy Act)** For the purpose of this clause 11.5, "Holds," "Held," "Personal Information" and "Privacy Complaints" have the same meaning as in the *Information Privacy Act 2009* (Qld). If the Respondent collects, Holds or has access to 'Personal Information' in connection with the Procurement Process, the Respondent must:

- (a) comply with Parts 1 and 2 of Chapter 2 and section 41 of Chapter 3 of the *Information Privacy Act 2009* (Qld) in connection with the Procurement Process as if the Respondent was the Principal;
- (b) except to the extent required or permitted by law, not disclose Personal Information to any entity outside of Australia without the Principal's prior written consent;
- (c) notify the Principal immediately on becoming aware of an actual or suspected Data Breach or breach of this clause 11.5 and immediately take and continue to take all reasonable steps to contain, stop and mitigate the extent of the Data Breach or breach and to mitigate the harm caused by the Data Breach or breach;
- (d) promptly notify the Principal in writing of any Privacy Complaints or enforcement of the Respondent's obligations under the *Information Privacy Act 2009* (Qld) in connection with the Procurement Process;
- (e) provide all reasonable assistance to the Principal to enable the Principal to comply with its obligations at law in connection with Privacy Complaints, Data Breaches, or applications for access to, or amendment of a document containing an individual's Personal Information;
- (f) take reasonable steps to ensure that any Personnel of the Respondent that collects, Holds or has access to Personal Information in connection with the Procurement Process complies with obligations placed on the Respondent in this clause 11.5 as if it were the Respondent; and
- (g) otherwise comply with any reasonable requirements of the Principal in relation to privacy and the security of Personal Information.

The Principal collects and uses Personal Information and non-personal information in the Response so that it can properly conduct the Procurement Process and otherwise carry out its functions as a Local Government. The Principal is authorised to collect this information under the *Local Government Act 2009* (Qld) and the *Local Government Regulation 2012* (Qld) and other law. The information in the Respondent's Response will be accessible by employees of the Principal and third party personnel engaged to assist the Principal in conducting the Procurement Process or otherwise carrying out the functions of the Principal. Information in the Response may also be disclosed as required by the *Local Government Regulation 2012* (Qld) and the *Right to Information Act 2009* (Qld) as described below.

11.6 **(Local Government Regulation)** The *Local Government Regulation 2012* (Qld) provides that the Principal must, as soon as possible after entering into a contractual arrangement worth

Procurement Process Conditions

\$200,000 or more (exclusive of GST) publish relevant details of the contract (including the person with whom the Principal has entered into the contractual arrangement, the value of the contractual arrangement and the purpose of the contractual arrangement) on the Principal's website and display those details in a conspicuous place in the Principal's public office. The relevant details must be published or displayed in this manner for a period of at least 12 months.

The *Local Government Regulation 2012* (Qld) may also require the Principal to make documentation and information contained in, or provided by the Respondent in connection with, a Response (including documentation and information identified by the Respondent as confidential) publicly available where that documentation or information is:

- (a) discussed in a Local Government Meeting;
- (b) included in a report or other document that:
 - (i) relates to an item on the agenda for a Local Government Meeting and is made available to Councillors or committee members for the purposes of the meeting;
 - (ii) is directly relevant to a matter considered or voted on at a Local Government Meeting; or
 - (iii) is presented at a Local Government Meeting for the consideration or information of the Local Government or committee; or
- (c) otherwise required to be disclosed pursuant to a provision of the *Local Government Act 2009* (Qld) or the *Local Government Regulation 2012* (Qld).

11.7 **(Right to Information)** The *Right to Information Act 2009* (Qld) provides members of the public with a legally enforceable right to access documents held by Queensland Government agencies (including the Principal). The Act requires that documents be disclosed upon request, unless the documents are exempt or on balance, disclosure is contrary to public interest. Information or documentation contained in or provided by the Respondent in connection with a Response is potentially subject to disclosure to third parties, including documentation and information identified by the Respondent as confidential. Any application for disclosure will be assessed in accordance with the terms of the Act.

11.8 **(Use of documents and information)** Documents and information provided on behalf of a party to the other party in connection with the Procurement Process (including documentation and information identified by the Respondent as confidential) may be used, copied, modified or disclosed as required by any law and otherwise:

- (a) by the Principal, as the Principal considers to be reasonably necessary to:
 - (i) properly conduct the Procurement Process;
 - (ii) exercise the rights granted to it in these Procurement Process Conditions;
 - (iii) obtain legal, accounting or other professional advice in connection with the Response;
 - (iv) report any actual or suspected Improper Conduct to the appropriate Authority; and/or;
 - (v) to otherwise properly carry out its functions as a Local Government;
- (b) by the Respondent, as is reasonably necessary to enable the Respondent to:
 - (i) prepare the Response;
 - (ii) obtain legal, accounting or other professional advice in connection with the Response; or

Procurement Process Conditions

- (iii) comply with the Respondent's corporate governance requirements.

If the Respondent is required by law to disclose Confidential Information of the Principal, the Respondent must notify the Principal of this prior to making such disclosure and must only disclose the minimum amount of information required to meet its obligation to disclose.

- 11.9 **(Media)** The Respondent must not, either on its own account or in conjunction with other parties, issue any publication, advertisement, document, article or information whether verbal or written, in connection with the Procurement Process in any media without the prior approval of the Principal.
