

Works Notice

Notice issued 6th May 2025

Cooroy, 176 Nandroya Rd - Landslip

Landslip Update

Council is aware of the condition of Nandroya Road and is undertaking necessary precautions in response to a landslip in the area.

To ensure public safety, a single-lane closure with temporary traffic lights will be in place from **Tuesday, 6 May 2025** until further notice.

Disruptions to traffic and the public

While every effort will be made to minimise disruption, delays may occur due to the lane closure. A traffic management plan is in place to ensure safety for all road users.

Current Status

Council is currently assessing the site to determine appropriate long-term repair options. In the meantime, the road will remain under traffic management and is being regularly monitored.

Further updates will be provided on Council's website as information becomes available.
