Notes:

- *You will be contacted by the Waste Management Branch to confirm Council's conditions under which the contaminated soil will be accepted and the time at which it is to be delivered to the site for disposal.*
- *Persons wishing to dispose of contaminated soil without the necessary consents will not be granted access to the disposal site.*
- **Applications to dispose of contaminated soil must be accompanied by:**
 - Relevant site contamination reports.
 - TLCP results for the soil / material.
 - Total Contaminant results for the waste / material.
 - Results in tabular format compared with acceptance criteria (levels exceeding guidelines will be highlighted).
 - A statement highlighting any exceedance/s of the landfill acceptance criteria stipulated below - See DEHP guideline: [Landfill siting, design, operation and rehabilitation: Waste disposal - ERA 60](#)
 - A statement confirming if the test results comply with the landfill acceptance criteria stipulated in the DEHP guideline outlined above.
- Final approval to dispose of contaminated soil is dependent upon the presentation of DEHP approval to remove the contaminated soil from the site (where site is listed on the EMR and/or CLR)
